

THE GOLDEN BEEPEGG® - THE PERFECT GIFT

The Golden BeepEgg® is the captain among all egg boiling systems and allows you to boil your eggs not only precisely (which it certainly does as well), but also with lots of style. Thanks to its 24 carat gold plated shell; it is also a visual highlight. Its [EGG]streme high value makes it the perfect gift. Due to its golden garment, it annually becomes a topseller during Christmas season.

3 MELODIES FOR 3 LEVELS OF HARDNESS

It is “pretty”, but does not trail behind in terms of functionality. With three tunes for the three levels of egg hardness, The Golden BeepEgg® serves as the trinity of eggs. The three “performed” tunes are:

“KILLING ME SOFTLY” FOR SOFT-BOILED EGGS

“TRIUMPHAL MARCH” FOR MEDIUM-SOFT-BOILED EGGS

“A LITTLE NIGHTMUSIC” FOR HARD-BOILED EGGS

The Golden BeepEgg® works as any other BeepEgg®. Store BeepEgg® with the real eggs, boil it with the real eggs, wait for the right tune, rinse them off together, but only eat the real ones.

A-STUDENT

The Golden BeepEgg® did not only convince us and our customers, but different independent juries recognized its genius as well.
