

BEEPEGG® [BLEGG & WHITE] - BOILING EGGS THE EASY WAY

Precise egg boiling is self-evident with BeepEgg®. Now precision will be combined with an intellectual note. BeepEgg® [Blegg & White] is for friends of classical music and design. The tunes recite the masters of classical music and BeepEgg®'s optic, with a black & white shell, stays in the purist, classical lane. Egg timers won't get any more sophisticated than this.

CLASSICAL EDUCATION IN THE KITCHEN

Equipped with its proven three tune function for all levels of egg hardness, BeepEgg® [Blegg & White] has to be used as any other edition. Store BeepEgg® [Blegg & White] with the real eggs, boil it with the real eggs, wait for the right beep masterpiece, rinse them off together, but only eat the real ones.
